About Your ONE FOR ALL 3

Your ONE FOR ALL 3 Package contains:

Your ONE FOR ALL 3 Remote
Your ONE FOR ALL 3 Manual

Your manual is divided into two parts: set-up instructions and device codes. **You may need this guide again in the future, so please be sure to keep it.**

Your ONE FOR ALL 3 needs 2 new "AA/LR6" batteries.

Your ONE FOR ALL 3 can operate three devices: a Television, a Video Recorder and a second Television or Video.

Quick Set-Up

The instructions below and on the next page can be used to quickly install your new ONE FOR ALL.

You can use the Quick Set-Up below with the codes listed on pages 11-18. If this doesn't work, try the Quick Search on the next page. The Quick Search can also be used even if your brand is not listed at all.

1. Press device key:

2. Press and hold until the red light blinks twice. Then release.

3. Enter (4-digit code). See pages 11-18. The red light will blink twice.

4. Aim remote at your device and press (or PLAY).

NOTES:

- Make sure your device is switched on.
- The instructions above are a "Quick" set-up guide. For further explanation, please refer to the pages within.
- Make sure you write your Set-Up codes in the boxes provided inside the battery compartment for easy future reference.

Quick Search

1. Aim your ONE FOR ALL at your device and press device key:

2. Press and hold  until the red light blinks twice.

3. Press   

4. Alternate between the device key (ie: ) and  until your device turns off.

5. When device turns off, press . The red light will blink twice. Your device is Set Up.

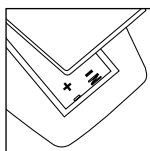

NOTES:

- Make sure your device is switched on.
- Make sure you aim your ONE FOR ALL at your device during "Quick Search".
- During step 4, you may have to press these keys many times, so please be patient.
- If your Video's original remote control does not have a power key, press PLAY instead of POWER during step 4.

Installing the Batteries

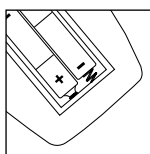

Your ONE FOR ALL 3 needs 2 new "AA/LR6" alkaline batteries.

1

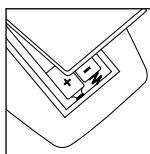

Remove the battery cover from the back of your ONE FOR ALL 3 by pressing down on the tab.

2

Match the batteries to the + and - marks inside the battery case, then insert the batteries.

3

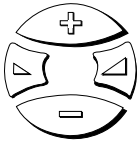

Press the battery cover back into place.

Important notes:

- In order to avoid having to reprogram your ONE FOR ALL 3 after you remove the batteries, you will need to insert new batteries within 5 minutes. Also it is best that you do not use rechargeable batteries.
- On the inside of the battery compartment door you will find a label on which to write your Set-Up codes after your ONE FOR ALL 3 is set up for your device. Please write down your codes for easy, future reference.

The Keypad

Key	Function
LED	LED The LED (Light Emitting Diode) flashes red to show the remote is working.
	MAGIC Key The MAGIC key is used to set up your ONE FOR ALL 3 and to access special functions.
	Power The Power key controls the same function as it did on your original remote.
  	Device Keys The TV, VCR and AUX keys select the home entertainment device to be controlled. For example pressing the TV key allows the remote to control the functions of your Television, after pressing VCR you can operate your Video Cassette Recorder and the AUX key operates a second television or video recorder.
	Volume, Programme The Volume and Programme keys control the two most frequently used functions of your Television. They operate just as those on your original remote.
	Mute The Mute key operates the same function it did on your original remote control. It is also used to activate the Scan feature (see page 23).

The Keypad

Key	Function
  	Number Keys The Number keys (0-9, 10, 20) provide functions just like your original remote, such as direct access programme selection. If your original remote uses one/two digit input switching (-/-- symbol), this function can be obtained by pressing the -/-- key, which is the same as the 10 key. If your original remote has an AV, key this function can also be found under the 20 key.
       	Video Recorder Keys After pressing the VCR key, the Video Recorder keys operate the functions of your Video Recorder. To prevent accidental recording, the Record key must be pressed twice to start recording.
 (on)  (off)  (expand)  (hold)	Teletext Keys After pressing the TV key, the top row of the VCR keys are used to operate the main teletext functions. The symbols below the keys are for teletext. The text keys are used to access the teletext functions of your Television. Of course, your Television must be teletext capable. For an explanation of the teletext symbols, please refer to page 20 of this manual. For a detailed explanation on how teletext works, please refer to the manual of your Television set.
 (red)  (green)  (yellow)  (blue)	After pressing the TV key, the bottom row of the Video Recorder keys marked red, green, yellow and blue, allow you to access the fasttext functions of your television. Again, your television must be fasttext capable to operate these functions. For a more detailed explanation of teletext and fasttext, please refer to the manual of your television set.

Installation

Direct Set-Up Setting Up Your Devices

To set up the ONE FOR ALL 3 for your TV or Video Recorder, follow the instructions below.

To set up your TV:

- 1**  Find your Television code in the Set-Up Code section (starting on page 11). Codes are listed by brand name. The most popular code is listed first. **Make sure your Television is switched on.**
- 2**  Press and release your ONE FOR ALL 3's **TV** key, **then press and hold down the MAGIC key** until the red light blinks twice (the light will blink once then twice).
- 3**  Enter your **four-digit TV code** using the number keys. The red light will blink twice.
- 4**  Now, aim the ONE FOR ALL 3 at your Television and press **POWER**. If your Television switches off, your ONE FOR ALL 3 should be ready to run your Television.
- 5** Turn your device back on and try all the remote's functions to ensure they are working properly. If the functions do not work properly, repeat steps 1-5 using another code listed under your brand.

Write your code in the four boxes provided in the battery compartment and on page 10 for easy future reference.

Important notes:

- To set up your Video Recorder, follow the same instructions above, only press the VCR key during step 2.
- Some codes are quite similar. If your device does not respond or is not functioning properly with one of the codes, try another code listed under your brand.
- If your Television or Video does not respond, follow steps 1 through 5 with each code listed for your brand. If none of the codes listed for your brand operate your device, try the search method described on page 8, even if your brand is not listed at all.
- If you change programmes on your Television through your Video Recorder, press VCR and not TV, before you use the programme keys.
- Remember, to control your device after the ONE FOR ALL is set up, you must press the device key first (TV, VCR, AUX).
- Write the codes for your devices in the boxes provided on page 10 and in the battery compartment for easy future reference.

Installation

The Search Method

If your Television or Video Recorder, does not respond to the ONE FOR ALL 3 after you have tried all the codes listed for your brand, try searching for your code. The Search Method may also work if your brand is not listed at all.

Let's say you cannot get your ONE FOR ALL 3 to control your Television.

To search for your TV code:

- 1** Switch your Television on.
- 2**  Press the **TV** key on your ONE FOR ALL 3.
- 3**  Aim the ONE FOR ALL 3 at your Television. **Press and hold down MAGIC** until the ONE FOR ALL 3's red light blinks twice. Then, press **9 9 1**. The red light will blink twice.

- 4**   Now, alternate between **TV** and **POWER**, over and over, until your Television turns off. You may have to press these keys many times, so please be patient. Remember to keep pointing the ONE FOR ALL 3 at your Television when you press the POWER and TV keys.
- 5**  When your Television turns off, press **MAGIC**. Don't forget, press MAGIC as soon as your Television turns off.
- 6** The ONE FOR ALL remote should now be ready to operate your device. Turn your device back on and try all the remote's functions to ensure they are working properly. If some of the ONE FOR ALL's commands are not operating correctly, try the search method again. You may be using the wrong code.

Important notes:

- To search for the code for your Video follow the instructions above only press VCR during steps 2 and 4.
- If your Video's original remote control does not have a power key, press PLAY instead of POWER when searching for your code.
- During step 4, you may have to press these keys many times (up to 150!) so be patient. Remember you must aim the ONE FOR ALL at your device the entire time you are searching for your code.

Installation

After you have used the Search Method, you can find out which code the ONE FOR ALL responded to by blinking back the code. It is handy to know your Television or Video code for future reference. **Remember, you can only blink back your code after the ONE FOR ALL is operating your device.**

To blink out your Television code:

- 1**  Press **TV**. Press and hold **MAGIC** until the ONE FOR ALL 3's red light blinks twice.
- 2**  Press **9 9 0**. The red light will blink twice.
- 3**  For the first digit of your four-digit code, press **1** and count the red blinks. If there are no blinks, the digit is "0".
- 4**  For the second digit, press **2** and count the red blinks.
- 5**  For the third digit, press **3** and count the red blinks.
- 6**  For the fourth digit, press **4** and count the red blinks. Now you have your four-digit code.

Make sure you write your Television code in the boxes provided in the battery compartment and on page 10 for easy future reference.

Important note: To blink back the code for your Video, follow the instructions above only press VCR during step 1.

Set-Up Codes

Quick Code Reference

The following pages list the codes for your equipment.
The most popular codes for each brand are listed first.

If your device does not respond to the ONE FOR ALL 3 after
you have tried all the codes for your brand, try the search
method (page 8).

**Write down the codes for your devices in the boxes
below and in the battery compartment, for quick and
easy reference.**

* Excludes a few models in the LX and LS series.

Advanced Features

Controlling Colour & Brightness

Depending on the functions of your original remote control, the ONE FOR ALL 3 may operate the colour and brightness settings of your Television.

By pressing MAGIC followed by a Volume or Channel key, you can access these functions. To adjust the colour and brightness settings:

Colour up =	Press		then hold	
Colour down =	Press		then hold	
Brightness up =	Press		then hold	
Brightness down =	Press		then hold	

Punch Through

You may be able to use some features of your Television and Video Recorder at the same time. If you're watching a programme on your Video, you can adjust the volume (a TV function) without first pressing the TV key. The chart below lists some of the possibilities:

Last Key Pressed:	You Can Control:
VCR	TV volume up and down, mute
AUX	TV volume up and down, mute

Advanced Features

Teletext and Fasttext

The ONE FOR ALL 3 is designed to operate the basic functions of teletext (text on, text off, expand and hold).

Symbol	Title	Description
	TEXT	Puts the Television in the teletext mode.
	TV	Switches the Television back to regular viewing mode. On some Televisions, this may be done by pressing the TEXT key several times.
	EXPAND	Shows the top half of the teletext page in larger letters. By pressing again, you can see the bottom half of the teletext page enlarged. To return to regular teletext viewing, press the EXPAND key again, or press the TEXT key, depending on your television.
	HOLD/STOP	Stops changing pages.

The keys marked red, green, yellow and blue are used to access the fasttext functions of your TV.

Important note: For a more detailed explanation of teletext and fasttext, please refer to the manual of your Television. Remember, different Televisions control teletext and fasttext features in different ways. Not all of the teletext functions may be available for your particular model.

Advanced Features

Sleeptimer

Sleeptimer is a feature which comes built into many TVs. It allows you to set your device to turn off within a certain amount of time. This feature comes in handy if, for example, you enjoy falling asleep with your television on.

With the ONE FOR ALL, there are two ways to use the sleeptimer. If your TV came with this feature built in, follow the instructions "Device Sleeptimer" below. If your device did not come with this feature, follow the instructions "ONE FOR ALL Sleeptimer"

Device Sleeptimer

If your TV has a "Sleeptimer" function built in, you can access this function with your ONE FOR ALL remote. To do so:

- 1** Make sure your TV is switched on.
- 2**  Press the device key (**TV**).
- 3** 
 Point the ONE FOR ALL at your TV and press and release **MAGIC** then press **POWER**. You should see the Sleeptimer activate on your TV screen.
To increase the timer, simply press **POWER** again (within 5 seconds) until the timer gets to the desired time.

To deactivate the Sleeptimer, repeat steps 1-3 above. During step 3, continue pressing Power until the timer indicates zero minutes.

Important note: Remember, your device must have its own Sleeptimer function in order for the above instructions to operate. If your device does not have its own Sleeptimer, follow the instructions outlined on the next page.

Advanced Features

The ONE FOR ALL Sleptimer

Your ONE FOR ALL remote comes with an internal Sleptimer function for those devices (TV) which did not come standard with this function. To use the ONE FOR ALL Sleptimer:

Making your ONE FOR ALL ready for Sleptimer:

- 1  Press the device key (TV).
- 2  Then, **press and hold MAGIC** until the red light blinks twice. Press **970**. The red light will blink twice again. It is only necessary to perform steps 1 and 2 once. Now to set the timer, continue with the steps below.

Setting the ONE FOR ALL Sleptimer:

It is possible to set the timer for 15, 30, 45 or 60 minutes. To do this, first make sure your TV is switched on. **Press the Device key (TV).**

Then, press and release **MAGIC** then press **POWER**.

-  (:15) The red light will blink *once* which indicates the timer is set for 15 minutes. To increase the timer, simply press **POWER** again (this must be done within 5 seconds). The light will blink *twice* indicating the timer is set for 30 minutes (2x 15). You can press POWER to a maximum of four times which will set the timer to 60 minutes.
-  (:30)
-  (:45)
-  (:60)

Once you have set the timer to the desired time, set your ONE FOR ALL remote down, pointing it at your device. When the programmed amount of time has elapsed, the ONE FOR ALL will send the command for Power, hence turning off your device.

Important notes:

- The red light on the ONE FOR ALL will blink every 15 seconds indicating that the remote is in Sleptimer mode.
- To deactivate the Sleptimer, simply press any key on the ONE FOR ALL remote.
- Also, it is only necessary to follow steps 1 and 2 above one time. For subsequent use of the Sleptimer, simply begin with "Setting the ONE FOR ALL Sleptimer".
- To switch the ONE FOR ALL back to Device Sleptimer (page 21), repeat steps 1-2 above. The red light will blink 4 times.
- Remember, when using the ONE FOR ALL Sleptimer, you must set the remote so it is pointing to your device.

Programme Scan

Scan

Your ONE FOR ALL 3 comes with a special Scan function which lets you "scan" through every programme available on your TV or VCR.

For example, to scan the programmes on your TV:

1

Aim the ONE FOR ALL 3 at your TV. Press the **TV** key. Press and release **MAGIC** then press the **MUTE** key.

The ONE FOR ALL 3 will send the command to advance through all the programmes available on your Television stopping at each programme for about three seconds. Remember, you must aim the ONE FOR ALL at your device the entire time you are using Scan.

2

When you find a programme you would like to watch, simply press the device key you are using (TV, VCR). In this case press the **TV** key.

Important notes:

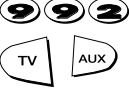

- To use Scan with your VCR, follow the same instructions above, only press the VCR key during step 1 and 2.
- Scan may not function with devices that did not have a programme +/- key on the original remote control.

Advanced Features

Using the AUX Key

The AUX key on your ONE FOR ALL 3 can be used to control a second Television or Video Recorder.

To set up the AUX key to control a second TV:

- 1**  **Press and hold down the MAGIC key** until the red light blinks twice (the light will blink once, then twice).
- 2**  **Press 9 9 2 TV AUX.** The LED will blink twice.
- 3**  Find your Television code in the Set-Up Code section (starting on page 11). Codes are listed by brand name. The most popular code is listed first. Make sure your Television is switched on.
- 4**  Press and release your ONE FOR ALL 3's **AUX** key, **then press and hold down the MAGIC** key until the ONE FOR ALL 3's red light blinks twice.
- 5**  Enter your **four-digit TV code** using the number keys. The red light will blink twice.
- 6**  Now, aim your ONE FOR ALL 3 at your Television and press **POWER**. If your Television switches off, your ONE FOR ALL 3 is ready to run your Television. When you want to control your second TV, press AUX first.

Make sure you write down your code in the boxes provided inside the battery compartment and on page 10 for easy future reference.

Important note: To set up a second Video Recorder, follow the same instructions above, only press the VCR key instead of the TV key during step 2.

Advanced Features

Changing the Device Keys

If you want, you can change any of the device keys (TV, VCR or AUX) to operate another type of device. The chart below lists how to change the keys and to set up that device:

To programme a:	Press:
TV on the AUX key	MAGIC* 992 TV AUX, then AUX MAGIC* TV Code
VCR on the AUX key	MAGIC* 992 VCR AUX, then AUX MAGIC* VCR Code
VCR on the TV key	MAGIC* 992 VCR TV, then TV MAGIC* VCR Code
TV on the VCR key	MAGIC* 992 TV VCR, then VCR MAGIC* TV Code

*** Hold down the MAGIC key until the red light blinks twice.**
(the light will blink once then twice)

To reset a device key to its original function, press:

TV key	MAGIC* 992 TV TV
VCR key	MAGIC* 992 VCR VCR
AUX key	MAGIC* 992 AUX AUX

*** Hold down the MAGIC key until the red light blinks twice.**
(the light will blink once then twice)

Trouble-Shooting

Helpful Hints

Problem:

Solution:

Red light does not blink when you press a key?	Replace batteries with 2 fresh, new "AA/LR6" alkaline batteries.
The ONE FOR ALL does not respond after pressing a key?	Make sure you are using new batteries and are aiming the at your device.
The ONE FOR ALL does not operate your device(s)?	A) Try all the codes listed for your brand. B) Try the search method on page 8.
Your brand is not listed in the code section?	Try the search method on page 8.
The ONE FOR ALL is not performing commands properly?	You may be using the wrong code. Try repeating the Direct Set-Up using another code listed under your brand or start the search method over again to locate the proper code.
Press a key but get the wrong result?	Hold MAGIC until the red light blinks twice, then press 992 and the device key twice. You will need to set-up your device again. Try the codes for brand or the search method on page 8.
Problems changing channels?	Enter the programme number exactly as you would on your original remote.
You cannot control the volume feature of your TV/Video Combination unit.	Hold MAGIC until the red light blinks twice. Then press 993 then Vol+. To set the Volume back to TV (Punch-Through), hold the MAGIC until the red light blinks twice, then press 993 TV.
Video not recording?	As a safety feature on your ONE FOR ALL, you must press the Record key twice.
You're having problems operating all the functions of your device	The ONE FOR ALL may just need customising for your model type. Just call our consumer help-line and we'll get you on the right track.

Trouble-Shooting

Type numbers can be found in your equipment's owner's manual or on the factory plate behind the device.

Guarantee

UNIVERSAL ELECTRONICS INC./ONE FOR ALL warrants to the original purchaser that this product will be free from defects in materials and workmanship under normal use for a period of ninety (90) days from the date of the original purchase. Product will be replaced free of charge if it has been proven to be defective within the 90-day period when said product is returned at customer expense within the warranty period. THIS WARRANTY DOES NOT COVER ANY EXPENSES INCURRED IN THE REMOVAL AND REINSTALLATION OF THIS PRODUCT.

This warranty does not cover damage or failures caused by products or services not supplied by ONE FOR ALL, or which result from accident, misuse, abuse, neglect, mishandling, misapplication, faulty installation, set-up adjustment, improper maintenance, alteration, maladjustment of consumer controls, modifications, commercial use, fire, water, lightning or other acts of God. This warranty does not cover cartons, carrying cases, batteries, broken or marred cabinets, or any other items used in connection with the product.

There are no express warranties except as listed above. ONE FOR ALL SHALL NOT BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES RESULTING FROM THE USE OF THIS PRODUCT OR ARISING OUT OF ANY BREACH OF WARRANTY. ALL EXPRESS AND IMPLIED WARRANTIES, INCLUDING THE WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE LIMITED TO THE WARRANTY PERIOD SET FORTH ABOVE. Some countries do not allow the exclusion or limitation of incidental or consequential damages, or limitation on how long an implied warranty lasts, so the above exclusions or limitations may not apply to you. This warranty gives you specific legal rights and you may also have other rights which vary from country to country.

To obtain warranty service during the warranty period, please carefully pack the product and send it prepaid and adequately insured to the address below, together with your purchase receipt or other proof of the date of original purchase.

In the UK:

ONE FOR ALL
PO Box 197
Yateley Hampshire
